**Request for information under the Data Protection Legislation**

This is a subject access request form for accessing information we (Bournemouth University) hold about you, or about someone you are acting on behalf of. This type of request is covered by the General Data Protection Regulation and the Data Protection Act 2018 (together referred to as "the Data Protection Legislation").

You do not have to use this form, although using it may help to avoid any delays in us processing your request. This is because, for a subject access request to be valid, it must be made in writing, include enough information to enable us to locate the information sought and be accompanied by the requisite fee (currently £10.00) and proof of identity (of the data subject and any person acting on their behalf). Where you are acting on behalf of the data subject, we also require written consent from the data subject to release the information to you on their behalf. Once we have received everything we need from you, we have up to 1 month to respond or notify you we need more today.

Please note that requests for council tax exemption certificates, transcripts, syllabus, ID cards, diploma and award certificates are not handled under this procedure. Instead please refer to the [Replacement documents](#) section of the student intranet or email our general enquiry service at [askBUenquiries@bournemouth.ac.uk](mailto:askBUenquiries@bournemouth.ac.uk) for assistance on how to obtain these items.
